Prince Albert, SK: RIVER VALLEY

RESILIENCE 2022 FUNDRAISING CAMPAIGN KICK-OFF

The **River Valley Resilience Retreat** is kicking off its 2022 fundraising efforts- building on the successes of the **2021 First Responders & Veterans Golf Scramble, Nordic Lodge Raffle** (tickets still available), **Grill & Chill on the Hill** and **2021 RVRP Silent Auction**.

“We’ve set ourselves a target of \$200,000 which will be used to establish the **River Valley Resilience Retreat**’s permanent safe, secluded, and serene space for our first responders and veterans to recharge, rest, relax and recover, and develop the resilience skills needed to reclaim their lives.”

During December 2021, Northern Elite Firearms raised \$2,000 during a special New Year’s Eve Target Draw which was won by Mike StClair.

“The staff at **Northern Elite Firearms** are delighted to present this donation to the **River Valley Resilience Retreat**. As former and current Peace Officers, we understand the importance of the role First Responders serve in each community. The incredible impact their service has on the individual and their families must be honoured.” – Melanie Markling for Northern Elite Firearms

Local Prince Albert resident and Veteran Arnold Murphy recently donated \$500.

“I want to thank **River Valley Resilience Retreat** for all the good work they have done are doing and will do in the future. The mental health of our first responders, police, firefighters, corrections officers, nurses, doctors, military veterans, 911 operators and all those who serve the public in trying roles as well as victims of crime who are all recovering from and dealing with trauma.

Our community is that much stronger because of our **River Valley Resilience Retreat**, its founders, and members. Together I hope that they continue to help provide the place, people, tools, and resources to heal the wounds and trauma of this community and to be a role model for others. Thank you to all involved, you are truly heroes to many.” – Arnold Murphy

In coming week and months, the **River Valley Resilience Retreat** will be holding a variety of fundraising events to raise awareness and funds for the establishment of an all season retreat for First Responders & Veterans (your family, friends, neighbours and customers).

Should you be interest on making a donation on behalf of your family, your business, your peers, your association or union towards making our dream a reality- please feel to contact us Michelle on (306) 981-6083 or Evert on (306) 980-5387.
